Implementation Strategies

- Enhance what is in place:
 - Code of Conduct, Messaging from Executives, Information Boards in Facilities, Purchase Order Terms and Conditions, Supplier Welcome packets
- Integrate requirements into your business:
 - > IT, Data Governance, Facilities Management, Human Resources, Shipping and Receiving, Supply Chain
- Leverage external partners:
 - Bank's Practices (Anti-Money Laundering), Network providers (Cyber Security), Suppliers Policies and Procedures, 3PL's for data

Customs Trade Partnership Against Terrorism

Discussion Questions

> When will onsite validations occur?

What happens if you do not have an element implemented when you need to make your portal submission?
